

JOE FRANCO

PROFESSIONAL SERVICES

ABOUT ME

Prior to joining Tenstreet in 2016, I served as a financial consultant for PwC, providing assurance and advisory services to the technology & entertainment sectors, including Disney, SpaceX, Paramount Pictures and CornerstoneOnDemand.

Currently, I contribute to Tenstreet's external strategic initiatives to increase solution awareness and identify market needs for new products & services. Additionally, I have helped countless enterprises of all sizes and natures define their hiring & safety objectives, build scalable & effective processes, and enact programs to measure their success.

Most recently, I collaborated with numerous high-profile Fortune 500 private fleets, including Fleet Owner's Private Fleet of the Year, DOT Foods, to address and overcome the driver shortage.
